This Gift divine we never can exhaust!

D D7 G C G

How excellent! How marvelous!

2 How rich the source, the Father as the fountain,

And all this wealth He wants man to enjoy!

O blessed fact, this vast exhaustless portion

Is now for us forever to employ!

3 How wonderful, the Son is God's expression

Come in the flesh to dwell with all mankind!

Redemption's work, how perfectly effective,

That sinners we with God might oneness find.

4 The Spirit is the Son's transfiguration

Come into us as life the full supply.

Amazing fact, our spirit with the Spirit

Now mingles and in oneness joins thereby!

5 How real it is that God is now the Spirit

For us to touch, experience day by day!

Astounding fact, with God we are one spirit,

And differ not in life in any way!
